

Guidelines Study NT International Student Accommodation Grant

Study in Australia's Northern Territory (Study NT)

The Northern Territory's capital, Darwin, is a modern and vibrant city with all the essential services and infrastructure you'd expect of a capital city. With over 100 different multicultural and community groups, Darwin is home to many exciting festivals, cultural and social activities and food extravaganzas. The Northern Territory is a study destination where it is easier to connect with community, with nature and with endless opportunities.

Study NT has established the **Study NT International Student Accommodation Grant** to assist international students, who are considering moving to the NT, with their relocation to Darwin. The grant will cover the first four weeks of the student's accommodation fee at either [UniLodge Darwin¹](#) at Casuarina or [International House Darwin²](#), located on-campus at Charles Darwin University (CDU). Applications are open to international students who have been accepted to study with an international education and training provider in the Northern Territory. **Before applying, students should familiarise themselves with the terms and conditions of this grant program.**

To apply for this grant applicants must complete the **Study NT International Student Accommodation Grant** application form and submit via email to StudyNT@nt.gov.au. If you require assistance in completing the form, please contact Study NT via email StudyNT@nt.gov.au or call +61 8 8999 6395 between 8:30am and 4:30pm, Monday to Friday.
